

## KS4 Analysis Spring/ Summer Term

### Year 10 GCSE English

Targets are as set by FFT/ Yellis and by teacher aspirational targets.

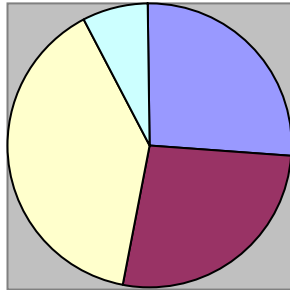

Achievement in the Spring term is based on teacher assessment and marks for coursework folders.

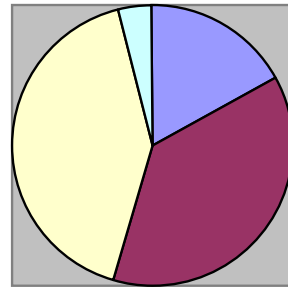

Students who are below target are only slightly below with one or two exceptions.

The following targets have been set:

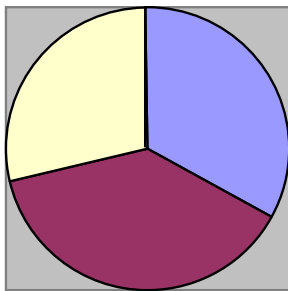

**10B Target grades**

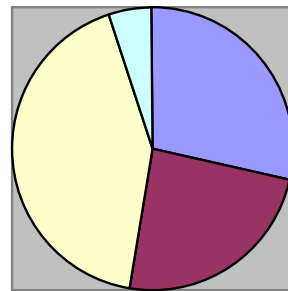

**Actual grades**

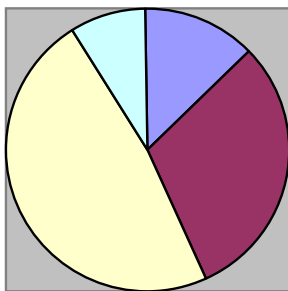

**10T Target grades**

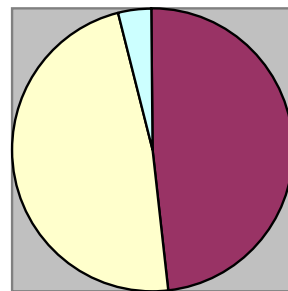

**Actual grades**

**10S Target grades**

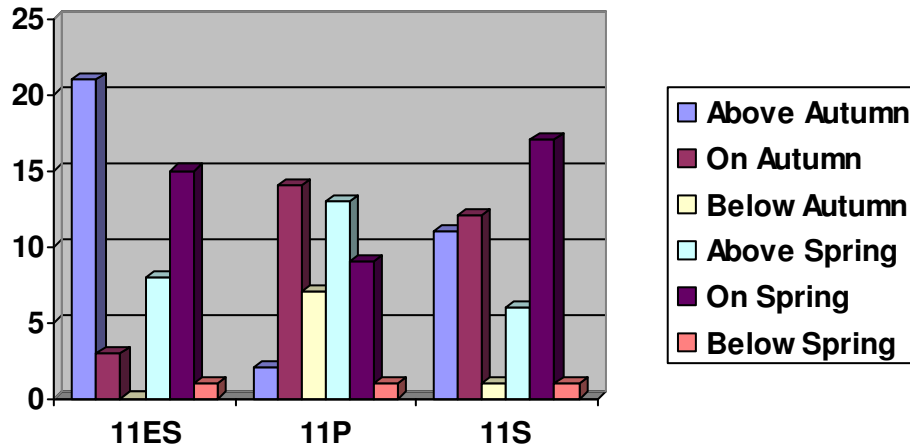

**Actual grades**

# Year 11 GCSE English and English Literature

## GCSE English

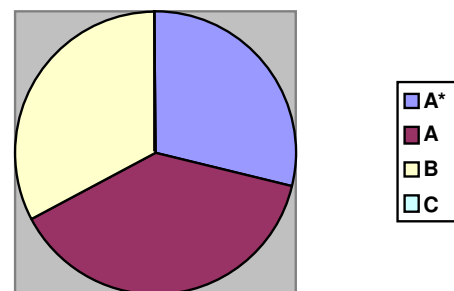

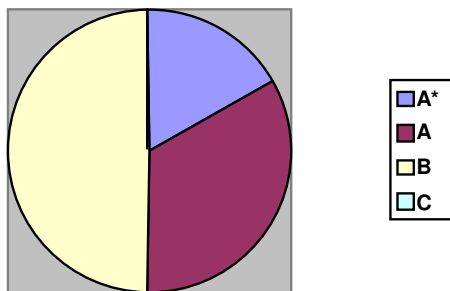

According to SMT tracking data:

Results are as follows based on teacher assessment in Autumn and actual coursework grades:

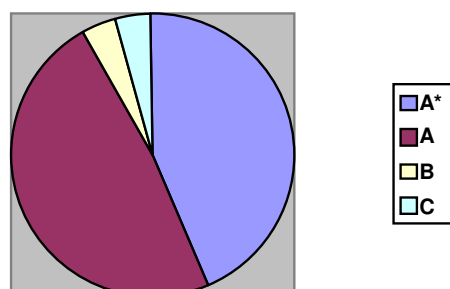

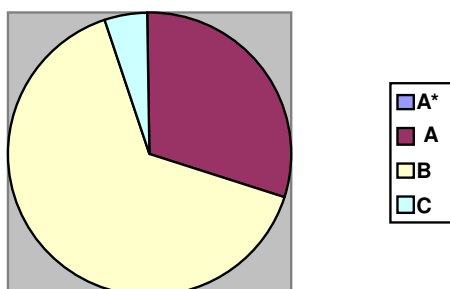

11ES Autumn predicted grades

11ES Coursework grades

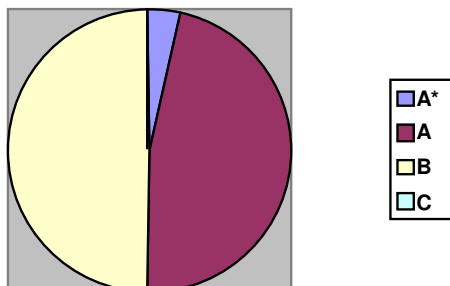

11P Autumn predicted grades

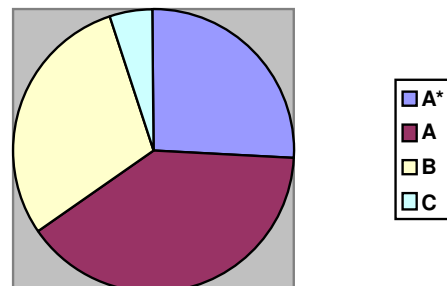

11P Coursework grades

### 11S Autumn predicted grades

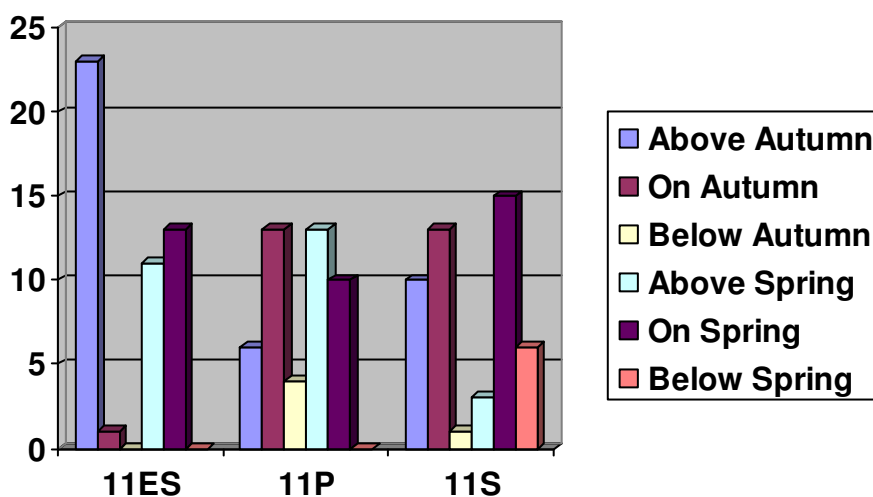

### 11S Coursework grades

As you can see, there is a slight discrepancy with all classes in that most students have worked towards or beyond that which was expected in the autumn analysis.

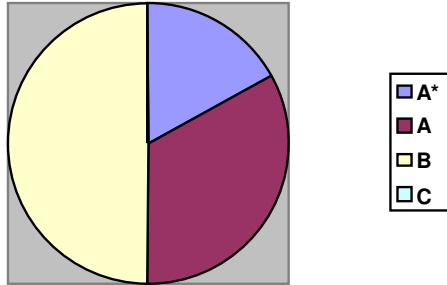

### Year 11 GCSE English Literature

According to SMT tracking data:

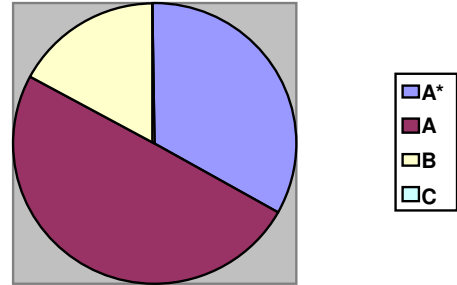

Results are as follows based on teacher assessment in Autumn and actual coursework grades in the Spring:

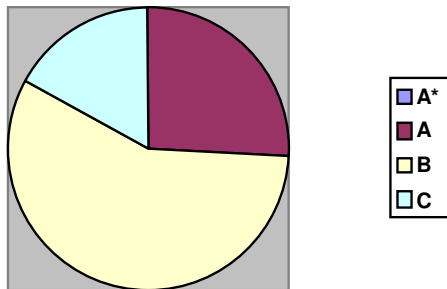

**11ES Predicted Autumn grades**

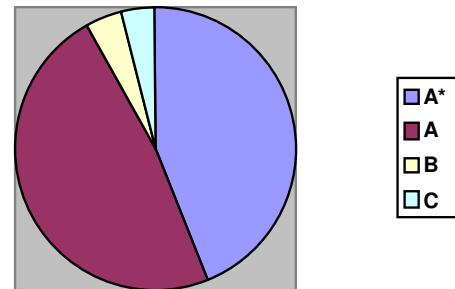

**11ES Actual grades**

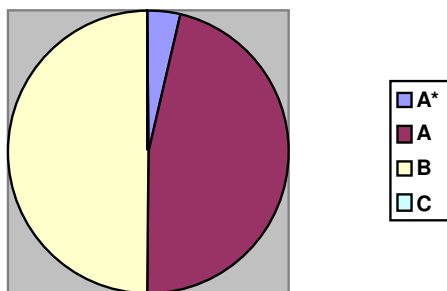

**11P Predicted Autumn grades**

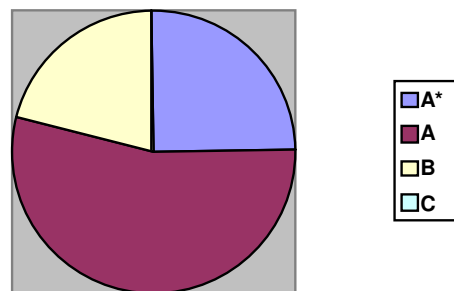

**11P Actual grades**

**11S Predicted Autumn grades**

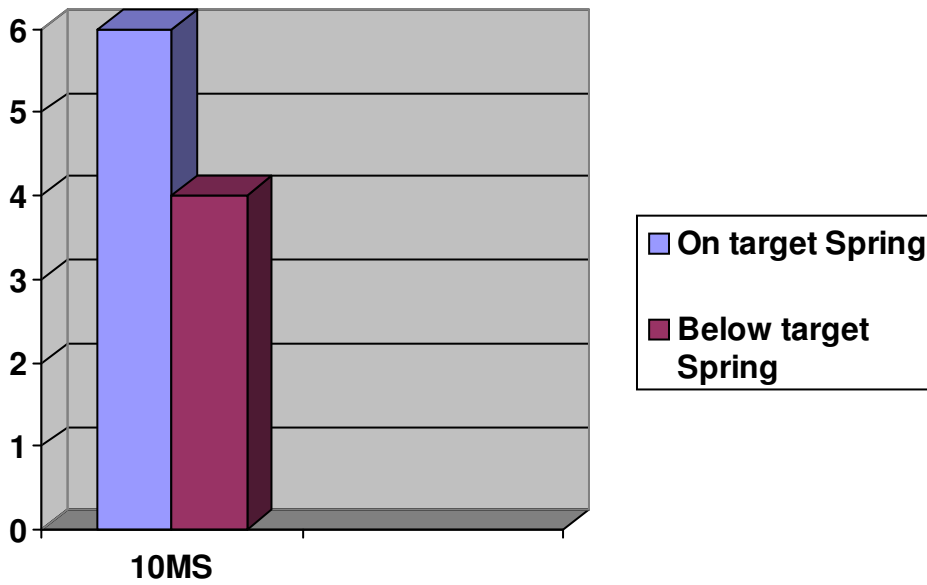

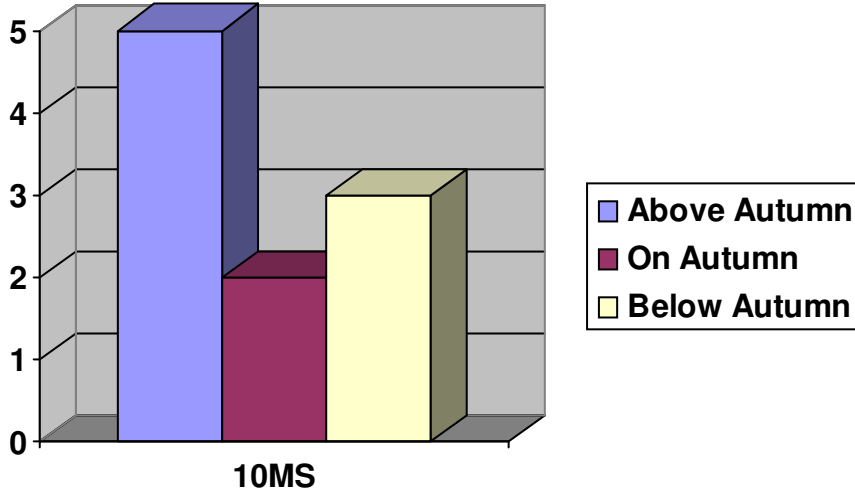

**11S Actual grades**

**As you can see most pupils performed much better than their predictions.**
