

Year 7 Parental Survey Spring Term 2008

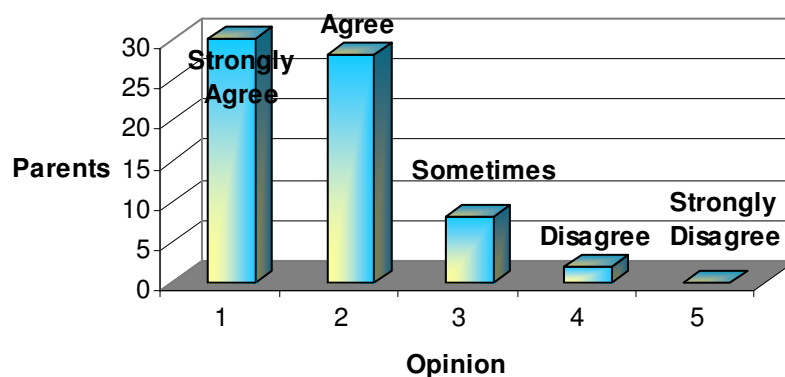

1. I believe that the Academy supported my daughter effectively during the transition and induction process from KS2 to KS3.

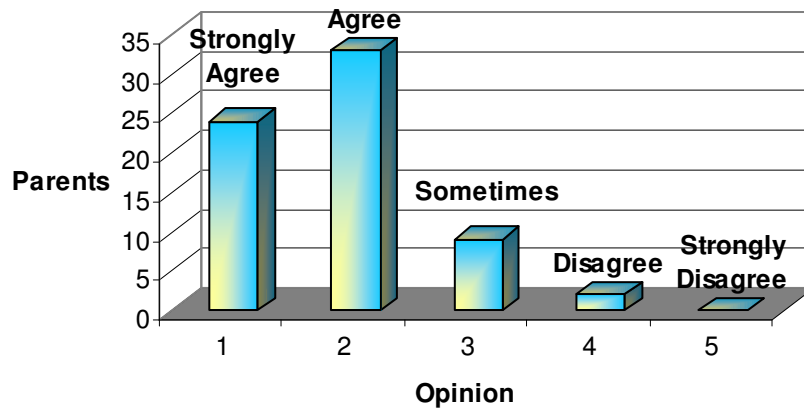

2. I feel that my daughter is supported in her learning by her teachers, who offer support, guidance and advice.

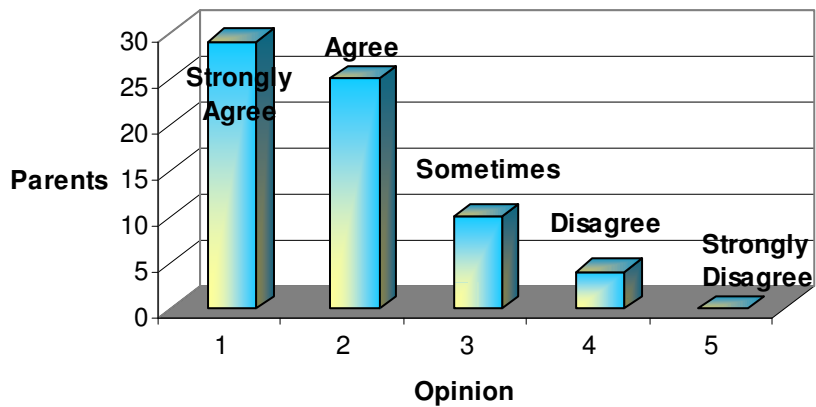

3. From the information given by the Academy, I am aware of my daughter's strengths and areas for improvement in subjects, which allows me to speak to my daughter to discuss challenging personal targets.

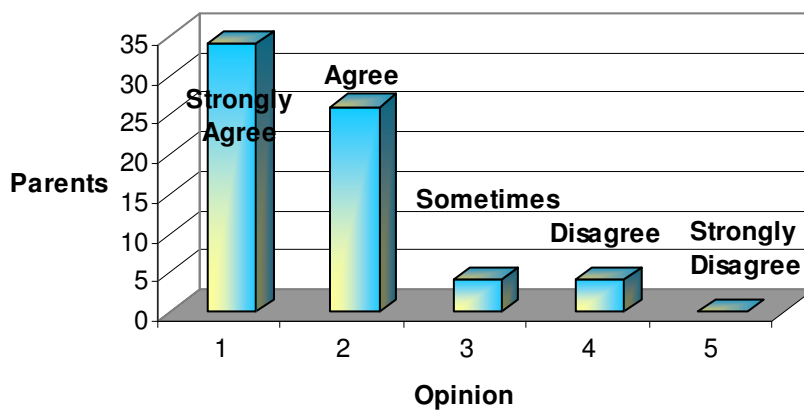

4. From conversations and discussions with my daughter, I believe that lessons are interesting, innovative and stimulating.

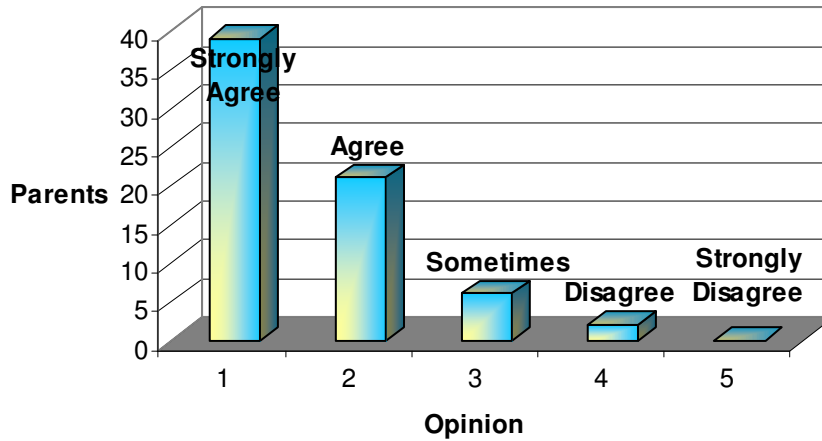

5. I know where to seek help and advice if there are problems or other issues affecting my daughter's learning or happiness in the Academy.

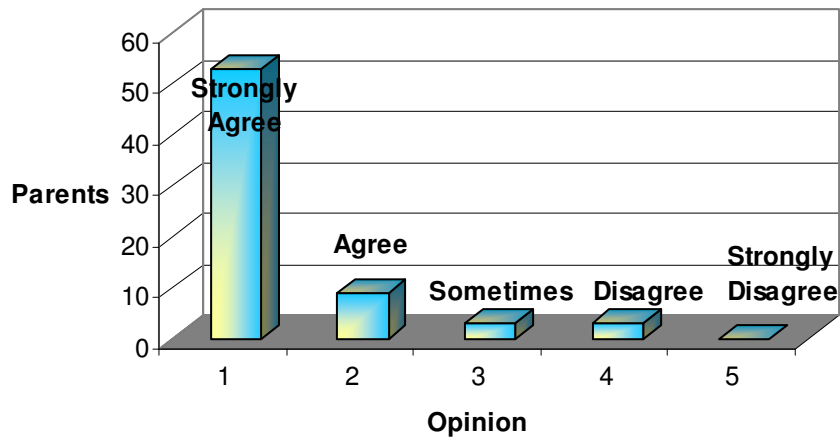

6. From conversations and discussions with my daughter I believe that teachers are consistent in applying the rules and code of conduct around the Academy.

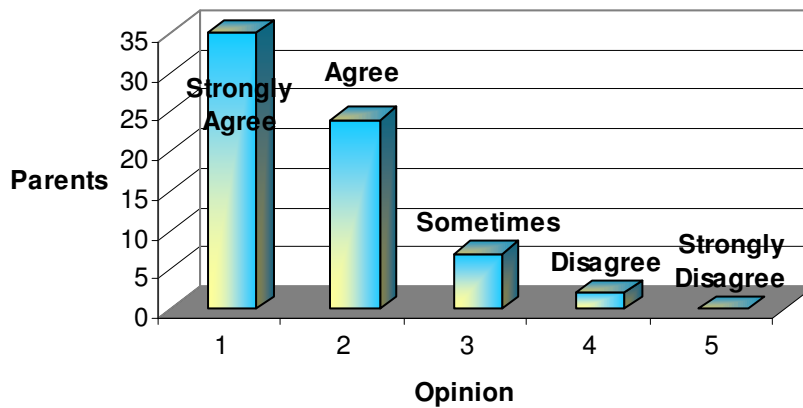

7. My daughter is encouraged to participate in lots of events and activities associated with the Academy.

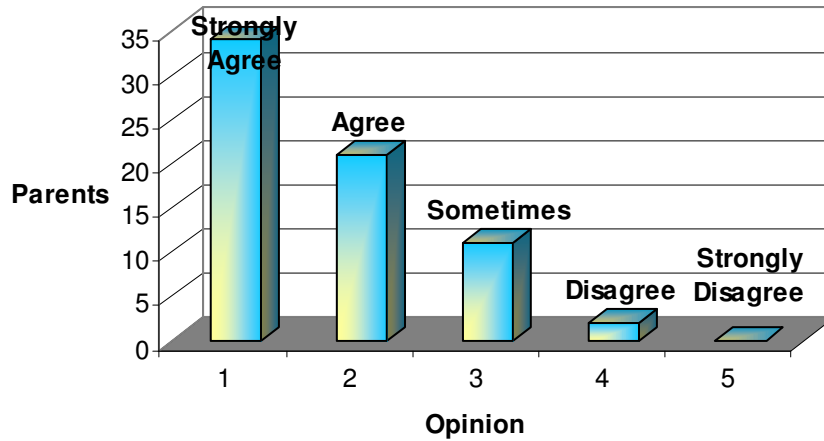

8. There is a wide range of enrichment activities available for my daughter to participate in.

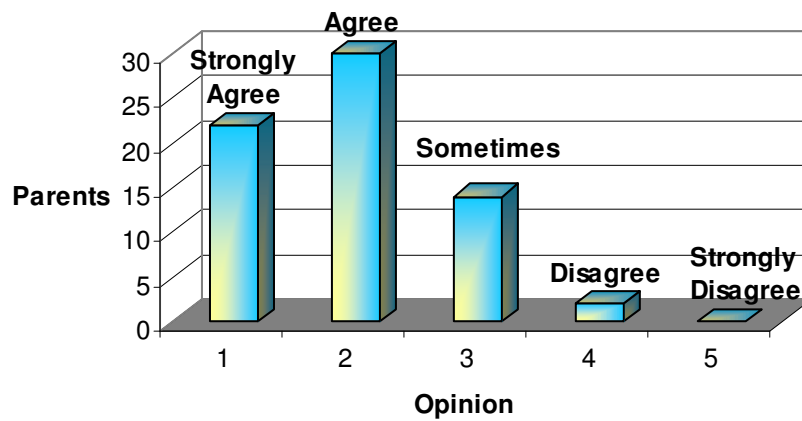

9. My daughter enjoys taking part in the enrichment programme, and is able to benefit both academically and socially as a result.

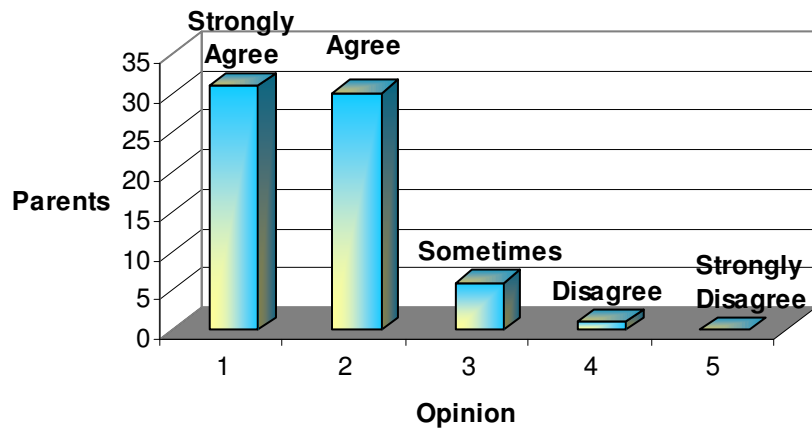

10. I am aware of what is going on in the Academy, and feel that communication is good.

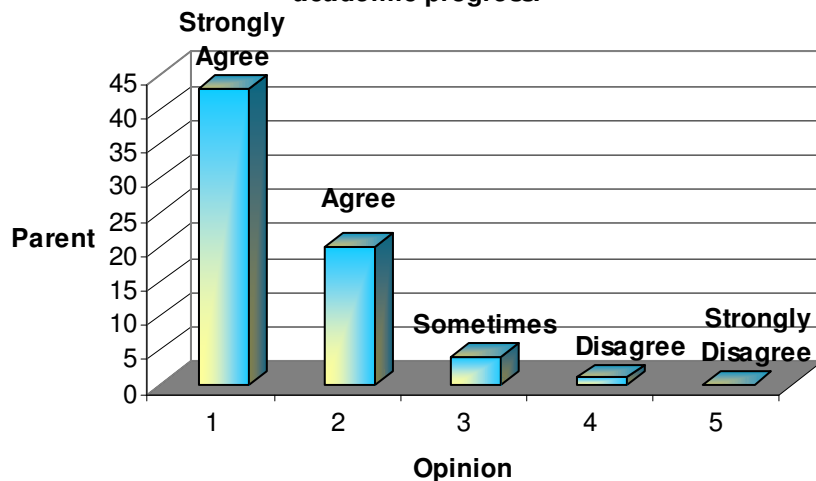

11. I feel that my daughter's opinions and views are important to the Academy and that they are used to help inform the decision making process.

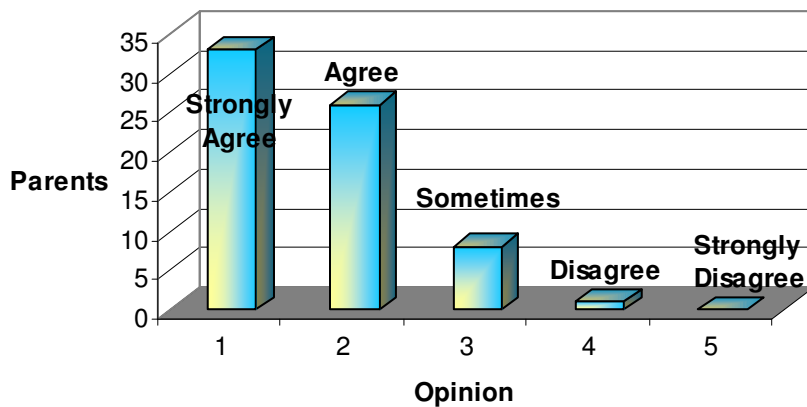

12. My daughter's achievements are recognised and rewarded accordingly making her feel valued and important.

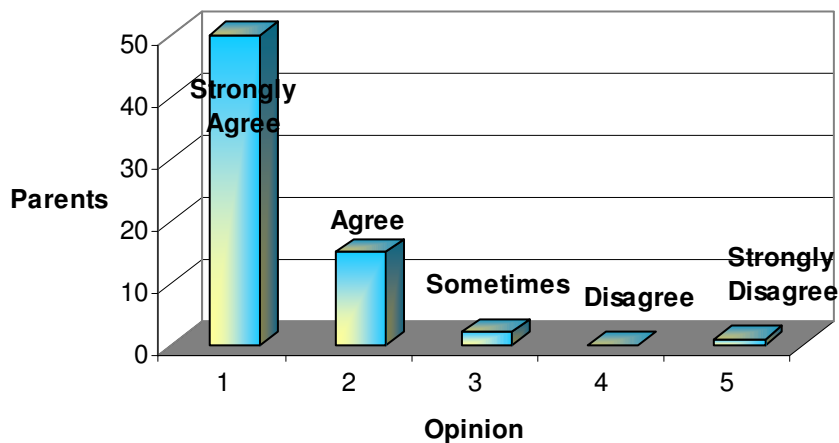

13. I am pleased that my daughter is making good academic progress.

14. My daughter's progress in lessons is supported strongly by the setting of appropriate and consistent homework by teaching staff.

15. My daughter is happy and enjoys her school life at The Belvedere Academy.

16. I am very happy that my daughter and I chose The Belvedere Academy as her Secondary School.
