

## **Academy Coach Policy**

The Belvedere Academy's dedicated transport service provides safe, secure and reliable transport for students between their homes and the academy. Students travel on private coaches, and all students have their own registered seat with a seat belt, giving parents invaluable peace of mind. The coaches are operated by professionally trained regular drivers, who register children on and off the coach each day. The coaches also have direct communication links with the academy should there be any problem. This service is always extremely popular.

If over-subscribed, places on the coach will be awarded in the following priority:

- Current users
- Siblings
- Year 7
- Year 12
- Students from other years

Please note that priority is always given to full-time users.

Places for current users will not be guaranteed unless confirmation of renewal is received by the deadline.

A parent academy agreement should be signed. This agreement is a one-year commitment as the academy has to make a one-year commitment to the coach company. If the contract is terminated mid-year, the full portion of the annual cost is still payable.

Annual prices may be subject to an increase to cover inflation. Coach fees for Years 7-11 are collected in ten equal instalments from September to June and for Years 12-13, eight equal instalments are collected from October to May by direct debit. Failure to pay may result in your daughter losing her place on the coach.

Routes are subject to change.

Students should arrive at the bus stop five minutes before the designated time as the coach service runs on a tight schedule and, therefore, cannot wait for latecomers. Latecomers will have to find alternative transport.

## **The Belvedere Academy Coach Service**

### **2019/20 Charges**

**5 Miles and greater = £1,225.00 (Payable in 10 monthly instalments )  
(£6.96 per day)(£122.50 per month)**
