Dear Parents,

I am delighted to be able to enclose a copy of our latest Ofsted report which shows that Belvedere remains an 'outstanding' school in all aspects, including its 'overall effectiveness'.

The report is the result of lots of hard work by staff and students, supported by the senior leadership team, governors and parents, who collectively make The Belvedere Academy an outstanding school.

I should like to take this opportunity to thank all those parents who either wrote to the inspectors or who completed the online questionnaire for their support and for their overwhelmingly positive comments about the academy.

I hope that you enjoy reading the report, particularly in the knowledge that, as the lead inspector explained to me at the beginning of the inspection, 'outstanding' grades are now much more difficult to achieve under the new Ofsted framework. To achieve a perfect six out of six 'outstanding' grades is remarkable and an achievement of which we should all be very proud.

Yours sincerely

P M Kennedy  
Principal
